Anyone who thinks French music was crap before DnF Punk arrived clearly never listened to Nino Ferrer, France Gall, Jacques Dutronc and the saleted Serge. They had tigers in their guitars, you know. Another fellow whose guitar comes fully loaded with wild African beasts is Kid Loco.

So who is Kid Loco? He is, miraculously and according to legend, the man who introduced Bob Dylan to the electric guitar, hung out with Jerry Garcia and still found time to invent something. This may all be true, though it could also be lies. He's the bastard child of Sylvie Vartan and Albert Camus; a pined noir with white teeth & Frenchman with a wicked sense of humour (now there's a turn-up).

What we know for sure is that The Kid (if we may be so informal) has produced two albums, Grand Love Story and Kill Your Darlings, and a collection of remixes, the snappily titled Jesus Life For Children Under 18 inches. He's also an accident-prone comrade-in-arms of St. Etienne. Somehow, he manages to make music that is visceral, yet with beats that never pass beyond the tongue.

Something old, something new, something borrowed, something blue. It's all there. Take 'Mizrab' from Gheor Szabo's seminally album of the same name, PiL's 'Religion 1' dropped off Status's 'UpLink' (what an inspired reinvention!), Jon Lucien's

fantastically collectible 'Reahide' or French cultists Merie et Les Gorgons. Sheko in some Herbaliser, Alm and Tranquility Bass and add a bit of blue: Underwolves' 'So Blue It's Black'. Mmm, licky.

And I may be wrong, but personally I think it's impossible to dislike a tune called 'Tubular Belgian In My Goldfield', Departure Lounge's home/speed to a certain hairy '70s musician (produced, of course, by The Kid himself). It's hip hop gone to pot (smoking), stenoetic and braided blues and kenneing pop, all wrapped up in magic carpet moods. Slow and low (let yourself go).

Kid Loco succeeds where many try and most fail: being clever and funky at the same time. Nowhere is this more evident than on Kid's cover of Gang Of Four's 'Peralyzed', transforming the enguler eight-rock original into modern spunk-funk. And so... all that is required to consume the Intense Another Late Night is a fluffy duvet, central heating and the warmth of fellow men.

I mean, come on, it ain't rocket science. It's music, baby.

For how much longer can the world resist Kid Loco?

МЕЛОДИЯ
РЕСПУБЛИКАНСКАЯ ФИРМА «МЕЛОДИЯ»
МОНО МБД 48501 007

Писать о Владимире Высоцком непросто. Просто мне было петь о нем в 1980 году и позже. Несмотря на непонятные запреты, я упрямо твердил, как зашиканье, строки, надвываясь и кульминации: «Здесь охотно вечают героя, но в могилу сперва успеют...»

Я сразу заметил — публике было неважно, что за песни, хороша ли, плоха ли мелодия, важно было — о НЕМ! Тогда, когда нельзя — о НЕМ! Да и кто придумал: НЕЛЬЗЯ! Оказалось, можно. Моно, как он. Если честно, открыто, талантливо.

Оттого и реакция, почти у любого, одна была: «Во дает!» Не самая глубина или «сколь талантливо, друзья!», или «да, конечно, он не бездарен, а «во дает!». И он «давал». По негодям и хулам, по зарвавшимся начальникам и их лакеям, по грусим и предателям. И тут же война и проблемы культуры, личности, любви и страдание от несвободы, и на все это свой личный взгляд, и своя оценка, тут же становящаяся взглядом и оценкой многих и многих.

Я часто думаю: вот В. В. об этом событии высказался бы публикаторно. Но его нет, и мы (без это ни грустно) не знаем, как к событию относиться, комура иногда не хватает, комуру нам объяснить...

Все уходит из жизни, но он ушел слишком рано. Мовет, вовремя для себя, как для большого поэта, но не для нас, любящих его и мечтающих радоваться его искусству.

Он оставил нам много песен. Песен разных: гениальных, талантливых, плохих, но никогда «кинканки», и за одно только это мы сохраним имя Владимира Высоцкого в наших озаренных им душах.

O For A
Thousand
Tongues

O FOR A THOUSAND TONGUES TO SING

*An Ecumenical Hymn Sing
Recorded at St. Joseph's Church, Winsted, Connecticut
Lawrence Madison, Director-Soloist
October 27, 1974*

O FOR A THOUSAND TONGUES TO SING

HOLY, HOLY, HOLY * FAIREST LORD JESUS * ALLELUIA, SING TO JESUS
GUIDE ME, O THOU GREAT JEHOVAH * ROCK OF AGES * WE GATHER TOGETHER * IT IS WELL
SOFTLY AND TENDERLY, JESUS IS CALLING * LEAD KINDLY LIGHT * THE SOLID ROCK
AMAZING LOVE * MY FAITH LOOKS UP TO THEE * BY COOL SILOAM
GLORIOUS THINGS OF THEE ARE SPOKEN * GOD OF OUR FATHERS

It is customary, when producing a record to spend months planning the details of its concept and content in order to assure a "note perfect" presentation on the final pressing.

Each passage, note, word and nuance is analyzed and, if not acceptable, is re-taped, cut, and re-edited until little is left of the original. All this work being done, incidentally, in as nearly a perfect "studio" environment as is possible to achieve. Although perfection is attained, much of the essence of life is deleted.

This recording represents the hard work and love of singing of an entire community of people and stands alone, not to be compared but to be enjoyed and remembered.

The Hymn Sing was recorded at St. Joseph's Church, a lofty and grand Gothic edifice, filled with real, honest-to-goodness people singing and having a good time. These are some of the great religious songs of the Christian faith; some triumphant, some contemplative and quiet, all masterfully conducted by Lawrence Madison and accompanied on the great pipe organ by Roger Atkins and trumpeter Richard Allen.

We wish to express our thanks to Richard Blankenship, pianist for the choral selections and hymn sing, and to Richard Fowler, organist for the choral and solo pieces. Our special thanks to the 100 singers of the chorus, to the Franciscan Friars of St. Joseph's Church, the people of St. James Church for the use of the office equipment, the Van Wily's for the publicity posters, Beverly Pope for the record jacket cover design and finally to the families and friends of the performers for their many hours of help in making this record a reality.

It has always been good to come together to sing of our common faith and to share the marvelous music of our Christian Churches, and

the nearly 1,000 people who's voices appear on this record are a testimony to this.

There is another important purpose for this record I have yet to mention. . . .

The total proceeds from sales of this record will be donated to the Connecticut Foundation for Childhood Leukemia. C.F.C.L. is a newly-established, non-profit organization which was founded to help finance children's hematology clinics within the state. I think Larry Madison expresses our common concern in the following letter:

" . . . And a little child *did* lead them . . . to a gathering of people from all faiths to sing some of our great hymns of praise. Their enthusiasm and spirit records their support of the Ecumenical Hymn Sing for the C.F.C.L.

"Without a rehearsal and with very few instructions, it is remarkable that so many voices could sing in concert and have it 'come off' this well. Credit must be given to the technicians who caught the sound with such fidelity. It was truly a 'live' performance.

"Leading such a responsive audience and having the assistance of capable accompanists was very satisfying.

"Underscoring this effort is the concern for children who need our help in arresting leukemia. We must not fail to support this project."

We are all grateful for the opportunity to become involved. On behalf of the C.F.C.L.,

Thank you.

GAINING THROUGH LOSING

I asked God for strength, that I might achieve,
I was made weak, that I might learn humbly to obey,
I asked for health, that I might do greater things,
I was given infirmity, that I might do better things,
I asked for riches, that I might be happy,
I was given poverty, that I might be wise.

I asked for power, that I might have the praise of men,
I was given weakness, that I might feel the need of God,
I asked for all things, that I might enjoy life,
I was given life, that I might enjoy all things.

I got nothing that I asked for, but everything I had hoped for.
Almost despite myself, my unspoken prayers were answered.
I am, among all men, most richly blessed.

Love Togetherness & Devotion

Love To The World

This road we're on shows a dark destiny
I feel the end of humanity
Father, I know you're there
I lift my voice unto you, hear my prayer
For love to the world
Love to the world
For love to the world
Love to the world

The trumpets call, the trumpets call
Earth Children, Earth Children
Bring love to the world
Love to the world
Bring love to the world
Love to the world

Heaven help us, heaven help us
Heaven help us, heaven help us
Heaven help us, heaven help us
Heaven help us, heaven help us (etc.)

Love, love to the world
Love, love to the world
Love, love to the world
Love, love to the world
God send us
Love to the world
Hear my prayer for
Love to the world
God send us
Love to the world
Hear my prayer for
Love to the world (etc.)

Time For Pleasure

Come on baby
Get to stop this game
Come on baby
Our feelings are the same

Come on baby
You're drivin' me up the wall
Come on baby
We both should have a ball

Baby, don't you know
It's time for pleasure
I can see desire in your eyes
Baby, don't you know
It's time for pleasure
We've gotten the other business out the way
We've gotten the other business out the way

Come on baby
You're drivin' me up the wall
Oh baby
We both should have a ball
Don't you know now

Baby, don't you know
It's time for pleasure
I can see desire in your eyes
Baby, don't you know
It's time for pleasure
Let's not fool around and waste the time
Baby, don't you know
It's time for pleasure
I can see desire in your eyes
Baby, don't you know
It's time for pleasure
Let's not fool around and waste the time

Cause we got the other business out the way
We've gotten the other business out the way
(repeat)

Baby, don't you know
It's time for pleasure
(repeat)

Love Ballad

I have never been so much in love before
What a difference
A true love made in my life
So nice, so right

Loving you gave me something new
That I never felt, never dreamed of
Something's changed
No, it's not the feeling I had before
Oh, it's much much more

Love, I never knew that a touch
Could mean so much
What a difference
And when we walk hand and hand
I feel so real

Lovers come and then lovers go
That's what folks say
Don't they know
They're not there

When you love, hold me
And say you care
And what we have
Is much more than they could see

Words and music: Skip Scarborough
Copyright © 1975 & 1976 Unichappell Music Inc. (bwt)

Get Your It Together

Get it together
Get your it together

Better get your it together
Every day you're wastin' time
Better get your it together
'Fore you get too far behind
(repeat)

It's on you
Everybody's got a thing or two
What it is, is simply up to you
So I say, whatever it is
It is yours to give

Get it together
Get your it together

It's on you
Everybody's got a thing or two
What it is, is simply up to you
So I say, whatever it is
It is yours to give

Let The Music Keep Playing

The music's soft and the lights are low
As I hold you, I feel myself smiling
And I remember the times we've had good and bad
I can say it's all been worthwhile

La, la, la
La, la, la
La, la, la
La, la, la

You know that soon
I'll have to leave you
But I'll be back again someday
In the meantime

Let me hold you a little closer
So I can whisper in your ear
Ooh! I love you
With all your might

Hold me tight
Darling squeeze me
You know I'm so happy here

La, la, la
La, la, la

La, la, la
La, la, la

There's one thing that I long for
Something to make the moment last
Let the music keep playing
I feel my love gettin' stronger
Let the music keep playing
I want to hold you a little bit longer

The Word

People are talkin' about you
Have you heard—the word
Have you heard—the word
The word is out, the word is out
The word is out, the word is out
The word is out, the word is out

The word is out on you
Have you heard?
They say you've been untrue
After I trusted you, trusted you
Have you heard?
There's things you should not do

The word
Indiscriminatin' word,
The incriminatin' word
The word
The word has said some dirty things
Some funky dirty things
Some really hurtin' things

The word
The word
The word
The word is out on you girl
Watcha gonna do? Girl
Watcha gonna do? Girl

The word
The word it said some dirty things
Some funky dirty things
Some really hurtin' things
The word is out
The word is out about you
The word is out
The word is out about you 'etc.

Nadie puede hacer la presentación de MIGUEL HERRERO quien desde hace años pasea por todos los países de Centro y Sur América las canciones y romancillos folklóricos de España con la Compañía "Cabalgata" con éxito sonado en forma más precisa y que mejor revele su simpatía y gracia gitana, que el propio MIGUEL HERRERO, quien con efusión sincera y entusiasmo de artista nos cuenta así sus biografías:

"Nací en Huelva, España, en 1919. Mi principio de chaval fué el mismo de mi padre—zapatero en el gilo de calzado a la medida. Mis primeros impulsos de aventurero no fueron hacia el cante hondo precisamente, sino quería ser torero. Y así fué que a la edad de trece años me marché de casa para iniciar mi vida de torerillo, recorriendo las provincias de Cáceres, Salamanca, Palencia, Zaragoza, y algunas más en las capeas organizadas para las fiestas provinciales. . ."

"Pero no sé por qué causa tenía un presentimiento de que no había de ser torero. . . En uno de los pueblos de la provincia de Cáceres, llamado Montethermoso, mis compañeros de capel me pidieron en una de las fiestas que les cantara algo flamenco. . . Me subí a una de las mesas del café y me puse a cantar. . . Tuve tal éxito, que comprendí que ese era mi verdadero arte y desde entonces me dediqué por entero al cante, recorriendo todas las capitales de España y algunos países de Europa; a veces contratado y otras con compañía propia, hasta que decidimos venir a la América, debutando en Buenos Aires en 1944. . ."

Después. . . la vida de HERRERO es una serie ininterrompida de éxitos con la Compañía "Cabalgata" de tan notable actuación en La Habana, México, Nueva York. . . la América toda.

Those who have witnessed "Cabalgata", a show replete with Spanish musical lore, will remember the handsome figure of MIGUEL HERRERO and his unique, compelling flamenco style of song. For more than a decade his renditions of Spanish folk songs have been heard in Europe and the Americas; Havana, Mexico and New York, responding to him with "Olé!"

Of genuine gypsy extraction, HERRERO was born in Huelva, Spain, in 1919. Up to the age of 13 he followed his father's trade as a cobbler, but the urge to become a full-fighter took hold of him and he left home to tour the provinces and fight bulls in the local *feitas*. The intuition that he would never make a top *matador* plus an accidental request by his colleagues to sing something flamenco at a café, turned the tide. His success was so immediate that the conviction to dedicate himself to the *cante hondo* was born. Since then he has matured as an artist until today his position as a flamenco singer is among the greatest.

Montilla records are recorded in Spain and manufactured in the United States of America by FERNANDO J. MONTILLA for MONTILLA INC., 131 East 2nd Street, New York 10, N. Y.

Carol Channing
Entertains

Carol Channing Entertains

The Exciting Star Of "Hello, Dolly!"

Broadway's brightest star in a fascinating array of brilliant new Channing classics and familiar songs dressed up in a fresh new Channing sound.

...Hear Carol Channing sing a delightful song from "Hello, Dolly!" that she has *never before recorded*, "Elegance" with new lyrics specially written for Miss Channing by Jerry Herman, composer of "Hello, Dolly!".

...Hear Carol Channing's favorite song from "Gentlemen Prefer Blondes"—a song she did not sing in the show and has *never before recorded*, "Homesick Blues".

...Hear Carol Channing introduce a new song that is destined to take its place as a classic beside her famous "Diamonds Are A Girl's Best Friend"—"Widow's Weeds", specially writ-

ten for her by Ervin Drake, composer of the score for "What Makes Sammy Run?"

And more, *lots more*—some of Carol Channing's all-time favorites—"Ain't Misbehavin'", "Mean To Me", "Bye Bye Blackbird", "Baby Won't You Please Come Home". She sings them in all sorts of exciting, unexpected ways, in arrangements that are full of the fun and joy and rhythm that she finds in both contemporary music styles and the old familiar styles, too.

Old and new, these are all Carol's songs... Carol's special songs filled with her buoyant, special humor and sung in that remarkable voice that runs a gamut from basso profundo to an ethereal chirp and brings audiences to their feet cheering night after night at "Hello, Dolly!".

The Personalities - "Live"

... VOLUME FIVE

Shad

Blackie

Ron

Dear Fan,

This record, like life, boils down to **WHAT YOU'VE GOT** and **WHAT YOU DO WITH WHAT YOU'VE GOT**.

WHAT YOU'VE GOT is comedy and music. In comedy, you've got Swedish drollery, slashing squibs, hillbilly folk humor and some outrageous ribaldry. In music, you've got a gypsy *czardas* and a polka and some blues. You've got Shad singing his *biggie*, "Little Green Apples", and "Phoenix", and a rocking "Time After Time". You've got Blackie's *biggie*, "My Way", and a light-hearted "I'll Take Care Of Your Cares". You've got Ron, joining in on "Wave" and "Windmills Of Your Mind" and "Watch What Happens".

WHAT YOU DO WITH WHAT YOU'VE GOT is up to you, of course. But, let's say, for instance, you're a couple of girls and it's cold outside; first thing to do is fix a Tom and Jerry. If you're Tom and Jerry and it's cold out, go out and get a couple of girls. Think how much fun it'll be warming up!

The point is, you'll want to feel things, get involved. When Blackie and Shad pick on the Poles, *feel* for the Poles; when Ron and Shad pick on Blackie, *feel* for Blackie . . . and if those girls *feel* for you, Tom and Jerry, you're on your own — this is a record, not an instruction manual!

If you don't get a charge from the music or a tear from the songs or a tug at your heart-strings (or kimono-sash or karate-belt) or, at least, a laugh or two — then God didn't make little green apples!

It all comes to you from the Rum House of the GALT OCEAN MILE HOTEL in Ft. Lauderdale. It's a fun room, a good-feeling room, a special place. At least that's what we think and we ought to know, we've been there for eight years!

Yours truly,
Blackie Nelson

**Большой Каретный. У меня гитара есть. Дайте собакам
мяса. А люди все роптали и роптали. В Ленинграде-
городе у Пяти углов. Гололед на земле, гололед
Камнем грусть висит на мне. Лежит камень
в степи. Жил-был добрый дурачина-просто-
филя. Так оно и есть: словно встарь**

БОЛЬШОЙ КАРЕТНЫЙ

В тот вечер я... Копи! Эй, шофер, вези в Бутырский
хутор. Я однажды гулял по столице. Сегодня я
с большой охотой. В наш тесный круг не каждый
попадал. Я любил и женщин и проказы
За меня невеста отрывает честно
Ты уехала на короткий срок. Все срока
уже закончены. Всего лишь час
дают на артобстрел

НА НЕЙТРАЛЬНОЙ ПОЛОСЕ**

Один музыкант объяснил мне пространно. На нейтральной
полосе. Сколько я ни старался. Перед выездом в за-
гранку. Передо мной любой факир — ну просто
карлик. Проложите, проложите вы хоть тон-
нель по дну реки. Твердил он нам: моя
она. Подумаешь, с женой не очень ладно
Ну о чем с тобою говорить. У меня
запой от одиночества. В этом доме
большом. На реке ль, на озере

Сколько чудес за туманами кроется. Сидели, пили
вразнобой. Пока Вы здесь в ванночке с кафелем
Рядовой Борисов! Я... И вкусы и запросы мои
странны. Я изучил все ноты от и до. Мне
каждый вечер зажигает свечи. Было так:
я любил и страдал. Сыт я по горло,
до подбородка. Дела меня замучили,
дела. Давно смолкли залпы орудий

Anyone who thinks French music was crap before Daft Punk arrived clearly never listened to Nino Ferrer, France Gall, Jacques Dutronc and the sainted Sarge. They had iggers in their guitars, you know. Another fellow whose guitar comes fully loaded with wild African beasts is Kid Loco.

So who is Kid Loco? He is, variously and according to legend, the man who kidnapped Bob Dylan to the electric guitar, hung out with Jerry Garcia and still found time to invent scratching. This may all be true, though it could also be lies. He's the bastard child of Sylvie Vartan and Albert Camus; a pined noir with white hair; a Frenchman with a wicked sense of humour (now there's a turn-up).

What we know for sure is that The Kid (if we may be so informal) has produced two albums, Grand Love Story and Kill Your Darlings, and a collection of remixes, the snappily titled Jesus Life for Children Under 12 Inches. He's also an accident-prone contraband-in-arms of St. Etienne. Somehow, he manages to make music that is visceral, yet with beats that never pass beyond the languid.

Something old, something new, something borrowed, something blue. It's all there. Take 'Mizrab' from Gabor Szabo's seminal album of the same name, PiL's 'Religion 1' dropped over Bob's 'Uplink' (what an inspired reinvention!), Jon Lucien's

D1) Harvey Mandel 'Wade In Water'

F2) 'Paapshow Part 4' Written by Nick Walker, Read by Sir Patrick Moore

fantastically collectible 'Rashida' or French cultists Marie Et Les Garçons. Shake it some Herbaliser, Aim and Tranquility Bass and add a bit of blue: Underwolves 'So Blue It's Black'. Mmm, licky.

And I may be wrong, but personally I think it's impossible to dislike a tune called 'Tubular Baignin In My Goldfield', Dapartment Lounge's homage/spoof to a certain hairy 70s musician (produced, of course, by The Kid himself). It's hip hop gone to pot (smoking, splenic and bruised blues and listening pop, all wrapped up in magic carpet moods. Slow and low (at yourself go).

Kid Loco succeeds where many try and most fail: being clever and funky at the same time. Nowhere is this more evident than on Kid's cover of Gang Of Four's 'Paralysed', transforming the angular agit-rock original into modern space-funk. And so... all that is required to consume the latest Another Late Night is a fluffy duvet, central heating and the warmth of fellow man.

I mean, come on, it ain't rocket science. It's music, baby.

For how much longer can the world resist Kid Loco?

МОНО

М60 48501 007

Писать о Владимире Высоцком непросто. Просто мне было пять, о нем в 1980 году и поэме. Несмотря на непонятные запреты, я упрямо твердил, как заклинание, строки, надравшая в кульминация: «Здесь охотно венчают героя, но в могилу сперва упекут...»

Я сразу заметил — публике было неважно, что за песня, хороша ли, плова ли мелодия, важно было — о НЕМ! Тогда, когда нельзя — о НЕМ! Да и кто придумал: НЕЛЬЗЯ? Оказалось, можно. Можно, как он. Если честно, открыто, талантливо.

Оттого и реакция, почти у любого, одна была: «Во деет!» Не читая глубины или искула талантливо, друзья! или «да, конечно, он не бездарен, а «во деет!». И он «давал». По негодяям и хулапам, по зарвавшимся начальникам и их lackeям, по трусам и предателям. И тут же война и проблемы культа личности, любовь и страдание от несвободы, и на все это свой личный взгляд, и своя оценка, тут же становящаяся взглядом и оценкой многих и многих.

Я часто думаю: вот В. В. об этом событии высказался бы обязательно. Но его нет, и мы (без его ни грустно) не знаем, как к событию относиться, юмора иногда не хватает, некому нам объяснить...

Все уходит из жизни, но он ушел слишком рано. Мовет, вовремя для себя, как для большого поэта, но не для нас, любящих его и мечтающих радоваться его искусству.

Он оставил нам много песен. Песен разных: гениальных, талантливых, плохих, но никогда «никаких», и за одно только это мы сохраним имя Владимира Высоцкого в наших озаренных им душах.

It is customary, when producing a record to spend months planning the details of its concept and content in order to assure a "note perfect" presentation on the final pressing.

Each passage, note, word and nuance is analyzed and, if not acceptable, is re-taped, cut, and re-edited until little is left of the original. All this work being done, incidentally, in as nearly a perfect "studio" environment as is possible to achieve. Although perfection is attained, much of the essence of life is deleted.

This recording represents the hard work and love of singing of an entire community of people and stands alone, not to be compared but to be enjoyed and remembered.

The Hymn Sing was recorded at St. Joseph's Church, a lofty and grand Gothic edifice, filled with real, honest-to-goodness people singing and having a good time. These are some of the great religious songs of the Christian faith; some triumphant, some contemplative and quiet, all masterfully conducted by Lawrence Madison and accompanied on the great pipe organ by Roger Atkins and trumpeter Richard Allen.

We wish to express our thanks to Richard Blankenship, pianist for the choral selections and hymn sing, and to Richard Fowler, organist for the choral and solo pieces. Our special thanks to the 100 singers of the chorus, to the Franciscan Friars of St. Joseph's Church, the people of St. James Church for the use of the office equipment, the Van Why's for the publicity posters, Beverly Pope for the record jacket cover design and finally to the families and friends of the performers for their many hours of help in making this record a reality.

It has always been good to come together to sing of our common faith and to share the marvelous music of our Christian Churches, and

the nearly 1,000 people who's voices appear on this record are a testimony to this.

There is another important purpose for this record I have yet to mention. . . .

The total proceeds from sales of this record will be donated to the Connecticut Foundation for Childhood Leukemia. C.F.C.L. is a newly-established, non-profit organization which was founded to help finance children's hematology clinics within the state. I think Larry Madison expresses our common concern in the following letter:

" . . . And a little child *did* lead them . . . to a gathering of people from all faiths to sing some of our great hymns of praise. Their enthusiasm and spirit records their support of the Ecumenical Hymn Sing for the C.F.C.L.

"Without a rehearsal and with very few instructions, it is remarkable that so many voices could sing in concert and have it 'come off' this well. Credit must be given to the technicians who caught the sound with such fidelity. It was truly a 'live' performance.

"Leading such a responsive audience and having the assistance of capable accompanists was very satisfying.

"Underlining this effort is the concern for children who need our help in arresting leukemia. We must not fail to support this project."

We are all grateful for the opportunity to become involved. On behalf of the C.F.C.L.,

Thank you.

GAINING THROUGH LOSING

I asked God for strength, that I might achieve,
I was made weak, that I might learn humbly to obey.
I asked for health, that I might do greater things,
I was given infirmity, that I might do better things.
I asked for riches, that I might be happy,
I was given poverty, that I might be wise.
I asked for power, that I might have the praise of men,
I was given weakness, that I might feel the need of God.
I asked for all things, that I might enjoy life,
I was given Me, that I might enjoy all things.
I got nothing that I asked for, but everything I had hoped for.
Almost despite myself, my unspoken prayers were answered
I am, among all men, most richly blessed.

Here's a special guess that reflects the pretty sale. It simply says if we was out of stride, one is now...

BACK IN STRIDE

There's so much pain in it's crazy
Tumble all around
I'll just not remember
I'll tell you something!
I'll be happy to let it get me down
I been grin' through some lousy changes
Changes are the same
We live the life
But we can't really stand the pain
I'm just happy to see you and me
Back in stride again
I'm so happy to keep it comin'
I'm gonna stay always smooth
But I'll be alright
An hour at a time I can find the groove
Someone I know that I can make it
You seem to like my style
Well! don't you worry
Cause I'm gonna be around awhile
I'll just happy to see you and me
Back in stride again
I'm just happy to see you and me
Back in stride again

I'll tell you what I'm gonna do
I just want to see you
Gonna give it all I can
I'll be right in stride again
There's so much pain in it's crazy
Tumble all around
I'll tell you something!
I'll be happy to let it get me down
I been grin' through some lousy changes
Changes are the same
We live the life
But we can't really stand the pain
I'm just happy to see you and me
Back in stride again
I'm so happy to see you and me
Back in stride again
Ain't nothin' gonna get us down
We gonna love it like three around
Back in stride again

This inspiring title track, written years ago, is about a time when ideas can come to matter what it said, no matter what it was, you can't stop it.

CAN'T STOP THE LOVE
Don't stop, don't stop that lovin' feelin'
Don't stop, don't stop that lovin' feelin'
There's music in the air
Love is everywhere
If you really care
You won't let go
Time is on our side
Love will be our guide
We'll be satisfied
This much I know
It doesn't matter the weather
We are in this thing together
And with you it goes
This love will grow
Oh, you just can't stop the love
We'll sing a song
We'll get along
Oh, you just can't stop the love
We'll sing the light
We'll be alright
Don't stop, don't stop that lovin' feelin'
Don't stop, don't stop that lovin' feelin'

I will always find
Love will be on time
There be peace of mind
For you and for me
No matter what they say
Love will find a way
We will be okay
Just wait and see
Some will try to change us
They will try to change us
But we'll find it back
The way it should be
Oh, no, you just can't stop the love
We'll sing a song
We'll get along

Oh, no, you just can't stop the love
We'll sing the light
We'll be alright

As... we were along to a very poignant
sing, it talks about the reserve that we all
have and how we can live ourselves up by...

REACHIN' DOWN INSIDE
Reaches down inside for more
When you're all alone
Reaches' down inside
When your love is gone
Reaches' down inside for more
Sometimes I get so hard
I hope that you and I can work it out
I hope these silly games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play

One of the wildest things about this song is
its depth, despite the passage of time.
Written twenty years ago, it retains its
original feeling that drives me...

I WANT TO FEEL MY MANTER
If I don't answer when you call my name
You too get mad
If my kisses don't feel like
Baby don't feel bad
I got me every day thinkin' "You
you religiously
Oh, and lately I've been so confused
What's wrong with me
Oh I miss and I want and I yearn and I yearn
And I know what you know what to do
I've tried being by myself don't want anybody
else but you
All I know is
I want to feel that I'm wanted
Baby, I need to feel that I'm needed
Hey, now you tell me "Oh, tell me
"You"

Now here's a little summer we can all
relate to...

TOO MANY GAMES

Loaves, they sometimes get
On each others nerves
They can really really be a mean
Player! Run with words
I wanna know why do we do it
Why we choose to break each others hearts
Why, when it's kungis for sport
Ain't it the things we do
For the sake of pride
If don't matter who might get hurt
As long as you're satisfied
The people be right to each other
Oh, you know the things I'm speakin'
Of how we mess around with love
Too many games that people play
Too many games that people play
For too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play

Oh there "the" "the" "the" games
We don't care who might get hurt
You know that's just inside

We've got to stop, look, listen
All the way we break each other so unkind
Why when it's just a waste of time
Too many games that people play
Too many games that people play
For too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play
Too many games that people play

Feel that I'm needed
The same things you look
We want them just like you

The same things you need
You better believe, you better believe,
That I want them just like you do
Yes, the things that you need
All the things that you want
All the things that you love
The same things you need

MAGIC

You know what to do for me
Call it intuition
Mysticism as you can be
I ain't superstition
I'm so glad I'm a found
Reason you around
It's just like
Magic

The birds begin to sing
It spreads like everything
You came into my life
Put your spell on me
I am so amazed that you
Got me so elated
All the while things that do
I appreciate it
Girl, you make it oh so clear
Whenever you near
It seems like
Magic
I know just what I feel
I wonder if I feel
Magic
You came into my life
Put your spell on me
Just like
Magic

The birds begin to sing
It spreads like everything

Last, but not least, we have a beautiful love
song, written originally for our first album.
This one surely has...

A PLACE IN MY HEART

Love don't need no holish stories
And I don't need to tie to you
What you do for me is wonderful
You have been so delectable that
I don't know just where you come from
Sometimes you leave me from the start
And I don't need to tie to you
And you've been yearning a place in my heart
You will always have a place in my heart
I can feelin' somethin' different
Feel it deep inside of me
You have given me such tenderness
You can't tell me you don't see
I just know that I love you baby
I hope we never ever part
I just know you've been so good to me
And you've worn yourself a place in my heart
You will always have a place
in my heart
You will always have a place
in my heart
You have worn a place, a place in my heart
You have worn a place, deep inside of me

Love Togetherness & Devotion

Love To The World

This road we're on shows a dark destiny
I feel the end of humanity
Father, father I know you're there
I lift my voice unto you, hear my prayer
For love to the world
Love to the world
For love to the world
Love to the world

The trumpets call, the trumpets call
Earth Children, Earth Children
Bring love to the world
Love to the world
Bring love to the world
Love to the world

Heaven help us, heaven help us
Heaven help us, heaven help us
Heaven help us, heaven help us
Heaven help us, heaven help us (etc.)

Love, love to the world
Love, love to the world
Love, love to the world
Love, love to the world

God send us
Love to the world
Hear my prayer for
Love to the world
God send us
Love to the world
Hear my prayer for
Love to the world (etc.)

Time For Pleasure

Come on baby
Got to stop this game
Come on baby
Our feelings are the same

Come on baby
You're drivin' me up the wall
Come on baby
We both should have a ball

Baby, don't you know
It's time for pleasure
I can see desire in your eyes
Baby, don't you know

It's time for pleasure
We've gotten the other business out the way
We've gotten the other business out the way

Come on baby
You're drivin' me up the wall
Oh baby
We both should have a ball
Don't you know now

Baby, don't you know
It's time for pleasure
I can see desire in your eyes
Baby, don't you know

It's time for pleasure
Let's not fool around and waste the time
Baby, don't you know
It's time for pleasure

I can see desire in your eyes
Baby, don't you know
It's time for pleasure
Let's not fool around and waste the time

Cause we got the other business out the way
We've gotten the other business out the way
(repeat)

Baby, don't you know
It's time for pleasure
(repeat)

Love Ballad

I have never been so much in love before
What a difference
A true love made in my life
So nice, so right

Love you gave me something new
That I never felt, never dreamed of
Something's changed
No, it's not the feeling I had before
Oh, it's much much more

Love, I never knew that a touch
Could mean so much
What a difference
And when we walk hand and hand
I feel so real

Lovers come and then lovers go
That's what folks say
Don't they know
They're not there
When you love, hold me

And say you care
And what we have
Is much more than they could see

Words and music: Skip Scarborough

Get Your It Together

Get it together
Get your it together

Better get your it together
Every day we're wastin' time
Better get your it together
'Fore you get too far behind
(repeat)

It's on you
Everybody's got a thing or two
What it is, is simply up to you
So I say, whatever it is
It is yours to give

Get it together
Get your it together

It's on you
Everybody's got a thing or two
What it is, is simply up to you
So I say, whatever it is
It is yours to give

Let The Music Keep Playing

The music's soft and the lights are low
As I hold you, I feel myself smiling
And I remember the times we've had good and bad
I can say it's all been worthwhile

La, la, la
La, la, la
La, la, la
La, la, la

You know that soon
I'll have to leave you
But I'll be back again someday
In the meantime

Let me hold you a little closer
So I can whisper in your ear
Ooh! I love you
With all your might

Hold me tight
Darling squeeze me
You know I'm so happy here

La, la, la
La, la, la

La, la, la
La, la, la

There's one thing that I long for
Something to make the moment last
Let the music keep playing
I feel my love gettin' stronger
Let the music keep playing
I want to hold you a little bit longer

The Word

People are talkin' about you
Have you heard—the word
Have you heard—the word
Have you heard—the word
The word is out, the word is out
The word is out, the word is out
The word is out, the word is out

The word is out on you
Have you heard?
They say you've been untrue
After I trusted you, trusted you
Have you heard?
There's things you should not do

The word
Indiscriminatin' word,
The incriminatin' word
The word
The word has said some dirty things
Some funky dirty things
Some really hurtin' things

The word
The word
The word
The word is out on you girl
Watcha gonna do? Girl
Watcha gonna do? Girl

The word
The word it said some dirty things
Some funky dirty things
Some really hurtin' things
The word is out
The word is out about you
The word is out
The word is out about you (etc.)

Nadie puede hacer la presentación de MIGUEL HERRERO quien desde hace años pasea por todos los países de Centro y Sur América las canciones y romancillos folklóricos de España con la Compañía "Cabalgata" con éxito sonado en forma más precisa y que mejor revele su simpatía y gracia gitana, que el propio MIGUEL HERRERO, quien con efusión sincera y entusiasmo de artista nos cuenta así sus biografías:

"Nací en Huelva, España, en 1919. Mi principio de chaval fué el mismo de mi padre—zapatero en el giro de calzado a la medida. Mis primeros impulsos de aventurero no fueron hacia el canto hondo precisamente, sino quería ser torero. Y así fué que a la edad de trece años me marché de casa para iniciar mi vida de torerillo, recorriendo las provincias de Cáceres, Salamanca, Palencia, Zaragoza, y algunas más en las capeas organizadas para las fiestas provinciales. . ."

"Pero no sé por qué causa tenía un presentimiento de que no había de ser torero . . . En uno de los pueblos de la provincia de Cáceres, llamado Monthermoso, mis compañeros de capea me pidieron en una de las fiestas que les cantara algo flamenco . . . Me subí a una de las mesas del café y me puse a cantar. . . Tuve tal éxito, que comprendí que ese era mi verdadero arte y desde entonces me dediqué por entero al canto, recorriendo todas las capitales de España y algunos países de Europa; a veces contratado y otras con compañía propia, hasta que decidimos venir a la América, debutando en Buenos Aires en 1944. . ."

Después, . . . la vida de HERRERO es una serie ininterrompida de éxitos con la Compañía "Cabalgata" de tan notable actuación en La Habana, México, Nueva York . . . la América toda.

Those who have witnessed "Cabalgata", a show replete with Spanish musical lore, will remember the handsome figure of MIGUEL HERRERO and his unique, compelling flamenco style of song. For more than a decade his renditions of Spanish folk songs have been heard in Europe and the Americas; Havana, Mexico and New York, responding to him with "Olé!"

Of genuine gypsy extraction, HERRERO was born in Huelva, Spain, in 1919. Up to the age of 13 he followed his father's trade as a cobbler, but the urge to become a full-fighter took hold of him and he left home to tour the provinces and fight bulls in the local fiestas. The intuition that he would never make a top *matador* plus an accidental request by his colleagues to sing something flamenco at a café, turned the tide. His success was so immediate that the conviction to dedicate himself to the *cante hondo* was born. Since then he has matured as an artist until today his position—as a flamenco singer is among the greatest.

The first part of the paper discusses the importance of maintaining accurate records of all transactions, including sales, purchases, and expenses. It emphasizes the need for a systematic approach to record-keeping, such as using a ledger or accounting software, to ensure that all financial data is properly documented and organized.

The second part of the paper focuses on the importance of regular reconciliation of accounts. It explains how reconciling accounts helps to identify discrepancies, such as errors in recording or unauthorized transactions, and ensures that the financial statements are accurate and reliable.

The third part of the paper discusses the importance of budgeting and financial planning. It explains how creating a budget helps to control expenses, manage cash flow, and make informed decisions about the future of the business.

The fourth part of the paper discusses the importance of understanding the different types of financial statements, such as the balance sheet, income statement, and cash flow statement, and how they are used to analyze the financial performance of the business.

The fifth part of the paper discusses the importance of seeking professional advice, such as from an accountant or financial advisor, to ensure that the business is following best practices and complying with relevant laws and regulations.

In conclusion, the paper emphasizes the importance of maintaining accurate financial records, reconciling accounts regularly, budgeting and planning, understanding financial statements, and seeking professional advice to ensure the financial health and success of the business.

Carol Channing Entertains

The Exciting Star Of "Hello, Dolly!"

Broadway's brightest star in a fascinating array of brilliant new Channing classics and familiar songs dressed up in a fresh new Channing sound.

...Hear Carol Channing sing a delightful song from "Hello, Dolly!" that she has *never before recorded*, "Elegance" with new lyrics specially written for Miss Channing by Jerry Herman, composer of "Hello, Dolly!".

...Hear Carol Channing's favorite song from "Gentlemen Prefer Blondes"—a song she did not sing in the show and has *never before recorded*, "Homesick Blues".

...Hear Carol Channing introduce a new song that is destined to take its place as a classic beside her famous "Diamonds Are A Girl's Best Friend"—"Widow's Weeds", specially writ-

ten for her by Ervin Drake, composer of the score for "What Makes Sammy Run?"

And more, *lots more*—some of Carol Channing's all-time favorites—"Ain't Misbehavin'", "Mean To Me", "Bye Bye Blackbird", "Baby Won't You Please Come Home". She sings them in all sorts of exciting, unexpected ways, in arrangements that are full of the fun and joy and rhythm that she finds in both contemporary music styles and the old familiar styles, too.

Old and new, these are all Carol's songs... Carol's special songs filled with her buoyant, special humor and sung in that remarkable voice that runs a gamut from basso profundo to an ethereal chirp and brings audiences to their feet cheering night after night at "Hello, Dolly!".

The Personalities - "Live"

... VOLUME FIVE

Shad

Blackie

Ron

Dear Fan,

This record, like life, boils down to WHAT YOU'VE GOT and WHAT YOU DO WITH WHAT YOU'VE GOT.

WHAT YOU'VE GOT is comedy and music. In comedy, you've got Swedish drollery, slashing squibs, hillbilly (folk humor and some outrageous ribaldry. In music, you've got a gypsy *czardas* and a polka and some blues. You've got Shad singing his *biggie*, "Little Green Apples", and "Phoenix", and a rocking "Time After Time". You've got Blackie's *biggie*, "My Way", and a light-hearted "I'll Take Care Of Your Cares". You've got Ron, joining in on "Wave" and "Windmills Of Your Mind" and "Watch What Happens".

WHAT YOU DO WITH WHAT YOU'VE GOT is up to you, of course. But, let's say, for instance, you're a couple of girls and it's cold outside; first thing to do is fix a Tom and Jerry. If you're Tom and Jerry and it's cold out, go out and get a couple of girls. Think how much fun it'll be warming up!

The point is, you'll want to feel things, get involved. When Blackie and Shad pick on the Poles, *feel* for the Poles; when Ron and Shad pick on Blackie, *feel* for Blackie . . . and if those girls *feel* for you, Tom and Jerry, you're on your own — this is a record, not an instruction manual!

If you don't get a charge from the music or a tear from the songs or a tug at your heart-strings (or kimono-sash or karate-belt) or, at least, a laugh or two — then God didn't make little green apples!

It all comes to you from the Rum House of the GALT OCEAN MILE HOTEL in Ft. Lauderdale. It's a fun room, a good-felling ing room, a special place. At least that's what we think and we ought to know, we've been there for eight years!

Yours truly,
Blackie Nelson

Камнем грусть висит на мне. Лежит камень

БОЛЬШОЙ КАРЕТНЫЙ
В тот вечер я... Копи! Эй, шофер, вези в Бутырский
хутор. Я однажды гулял по столице. Сегодня я
с большой охотой. В наш тесный круг не каждый
попадал. Я любил и женщин и проказы
За меня невеста отрывает честно
Ты уехала на короткий срок. Все срока
уже закончены. Всего лишь час

НА НЕЙТРАЛЬНОЙ ПОЛОСЕ**

Один музыкант объяснил мне пространно. На нейтральной
полосе. Сколько я ни старался. Перед выездом в за-
гранку. Передо мной любой факир — ну просто
карлик. Проложите, проложите вы хоть тон-
нель по дну реки. Твердил он нам: моя
она. Подумаешь, с женой не очень ладно
Ну о чем с тобою говорить. У меня
запой от одиночества. В этом доме
большом. На реке ль, на озере

Сколько чудес за туманами кроется. Сидели, пили
вразнойбой. Пока Вы здесь в ванночке с кафелем
Рядовой Борисов! Я... И вкусы и запросы мои
странны. Я изучил все ноты от и до. Мне
каждый вечер зажигает свечи. Было так:
я любил и страдал. Сыт я по горло,
до подбородка. Дела меня замучили,
